ACT ONE

FADE IN:

ON BLACK

SCENE 1

ANNOUNCER (V.O.)

Products you could only imagine
before... the Lickety-Flip Page-
Turner.

A MAN reads a book, hands at his sides. He opens his mouth -- clamped to his tongue is a telescoping wand that turns the book's page, then retracts into his mouth.

ANNOUNCER (V.O.) (CONT'D)

... and Mobilier (MOBIL-EER) the
chandelier for your car!

We see a MAN driving a crappy car. A huge chandelier hangs from the roof and keeps **BANGING** into his face as he drives. His car swerves, lurches and **TINKLES**.

ANNOUNCER (V.O.) (CONT'D)

All on "I Can't Believe They Invented
It!"

ON STAGE

We see TROY MCCLURE walk out.

TROY MCCLURE

Hello everybody. I'm Troy McClure,
star of such films as "P is for
'Psycho'" and "The President's Neck
Is Missing." But now I'm here to
tell you about a remarkable new
invention.

He picks up an orange and clumsily squeezes it against his
head over a glass, making a mess.

TROY MCCLURE

Until now, this was the only way to
get juice from an orange.

INT. SIMPSON HOUSE - LIVING ROOM - CONTINUOUS

HOMER watches. He is also squeezing an orange with his
hand over a glass.

HOMER

(GASP) You mean there's a better way?

ON TV

TROY MCCLURE (V.O.)

But that's all changed thanks to the
"Juice Loosener." Let's meet the
inventor, Doctor Nick Riviera.

DR. NICK enters carrying a large boxy juicer labelled "The
Juice Loosener."

DR. NICK

Hello, Troy. Hi everybody.

AUDIENCE

Hi, Doctor Nick!

DR. NICK

Troy, would you like a glass of
orange juice?

TROY MCCLURE

I sure would. But won't we have to
pay those outrageous grocery store
prices for something the farmer
probably spit in?

DR. NICK

Not anymore.

Troy drops his jaw and **SLAPS** his mouth in disbelief.

DR. NICK (CONT'D)

All, thanks to the new "Juice
Loosener."

Dr. Nick pours a bag of oranges into the juicer. We hear a
hideous **GRINDING** noise. Pulp flies on Troy's face.

TROY MCCLURE

Doctor, are you sure it's on? I
can't hear a thing.

DR. NICK

(YELLING) It's whisper quiet.

Dr. Nick finishes. There's a tiny amount of juice on the
bottom of the glass.

TROY MCCLURE

You got all that from one bag of
oranges?

DR. NICK

That's right. Order now and you'll
also get Sun 'n' Run, the Suntan
Lotion...

Troy smears some on his face.

DR. NICK (CONT'D)

... that's also a laxative!

Troy gets an uncomfortable look and runs off stage.

INT. SIMPSON HOUSE - LIVING ROOM - CONTINUOUS SCENE 2

Homer picks up the phone and dials.

HOMER

Gotta get a juicer. Gonna drink
juice, lose weight. Won't have to
have sex in that odd position
anymore.

CUT TO:

CLOSE-UP MAILING LABEL: "HOMER SIMPSON, SPRINGFIELD, USA"
PULL BACK to see it's on a box in an assembly line.

SUPER: OSAKA, JAPAN

A JAPANESE WORKER puts a juicer into the box. A second
SICK WORKER stands next to him. They speak in rapid,
poorly-dubbed English a la "Godzilla" movies.

SICK JAPANESE WORKER

Please don't tell the supervisor I'm
sick.

JAPANESE WORKER #2

(WINKING) Don't worry. I've been
working with a shattered pelvis for
three weeks.

JAPANESE WORKERS

(POORLY-DUBBED LAUGH)

The sick worker **COUGHS**, and we see a cloud of germs swirling inside the box. He seals it shut and it goes on down the assembly line.

INT. SIMPSON HOUSE - LIVING ROOM - DAY

Homer is sitting on the couch.

SUPER: 6 TO 8 WEEKS LATER

BART approaches with the juicer box.

BART

Hey, dad. This came for you in the mail.

HOMER

(SADLY) Oh no! What stupid piece of junk did I buy now? If it's another "Dick Tracy - The Movie" chess set --

Homer indicates a box that reads '"Dick Tracy - The Movie" Chess Set.' Maggie is **SUCKING** on Dick Tracy. Santa's Little Helper is **CHEWING** on Prune Face.

BART

No, it's a juicer.

HOMER

Woo-Hoo!

Homer opens the box. A swarm of germs rush out and attack Homer's face.

HOMER

(SCREAMS)

INT. PATTY AND SELMA'S APT.- DAY

Each holds a gift-wrapped package.

PATTY

Happy Birthday.

SELMA

Happy Birthday.

They swap packages. They open the packages and each contains a juicer. Germs swarm on Patty and Selma.

PATTY/SELMA

(SCREAM)

INT. KRUSTY'S DRESSING ROOM

SCENE 3

A sad-looking LADY sits on the couch.

KRUSTY

Look, Starla, it's over between us.

LADY

But, Krusty...

KRUSTY

But just because you can't have me,
doesn't mean you can't have fresh
juice in the morning.

He hands her the juicer. She opens it. The germs fly out. She **SCREAMS**. SIDESHOW MEL sticks his head in.

SIDESHOW MEL

Krusty, Drew Barrymore is here to see
you.

KRUSTY

Give her a juicer and tell her to get
lost.

He takes a juicer from the top of a stack of juicers.

ON TV

KENT BROCKMAN looks very sick. Behind him is an "Osaka Flu" mortise, with a picture of a Godzilla-type monster with a thermometer in his mouth and an ice bag on his head.

BROCKMAN

The dreaded Osaka flu has hit
Springfield, with over 300 cases now
reported. Symptoms of the flu
include: sore throat, nausea, and a
burning sensation while urinating.
(LISTENS TO EARPIECE) What? Well,
it's been happening to me. (BACK TO
CAMERA) Now, over to Arnie Pie with
"Arnie in the Sky."

EXT. HELICOPTER - ESTABLISHING

INT. HELICOPTER - CONTINUOUS

ARNIE PIE is clearly delirious.

ARNIE PIE

Route 401 is going around and around,
and around and around and around...
And look out at the corner of 12th
and Main because I'm gonna be sick.
Whulp.

Arnie leans out of the copter. PAN DOWN to:

EXT. ROOF TOP CORNER 12TH AND MAIN - CONTINUOUS

OTTO lies on a roof, sunbathing.

OTTO

Okay, Mr. Sun, gimme what ya got.

Otto looks up.

OTTO (CONT'D)

(SCREAMS)

INT. SIMPSON HOUSE - KITCHEN - DAY

SCENE 4

Marge removes a thermometer from Bart's mouth.

MARGE

(READING THERMOMETER) Ninety-eight
point six. You're fine.

She hands him his lunch.

MARGE

Now, hurry up or you'll miss your
bus.

BART

Maybe you better take that
temperature one more time.

Bart assumes a look of concentration.

INT. BART'S BODY - CONTINUOUS

WHITE BLOOD CELLS are attacking a VIRUS CELL.

WHITE BLOOD CELL #1

(TEENAGE VOICE) Sarge, we keep
getting orders to let the virus win!

WHITE BLOOD CELL #2

Must be a school day. Lay down your
arms.

The virus attacks the white blood cells.

VIRUS

(JAILBIRD VOICE) All right! Let's
make some pus.

INT. BART'S BEDROOM - A LITTLE LATER

Bart lies in his pajamas with a cold compress on his head,
drinking lemonade through a straw.

BART

(CHUCKLES)

He turns on the TV. We see an Itchy and Scratchy cartoon.

TITLE CARD:

"GERMS OF ENDEARMENT" Itchy is a doctor in his office.
Scratchy walks in and points to a sign reading: "TODAY'S
SPECIAL, TONSILLECTOMIES." Scratchy sits on the examining
table. Itchy reaches down Scratchy's throat, pulls out
Scratchy's tonsils and ties them to a brick. He tosses the
brick out a window, pulling Scratchy's tonsils and innards
out with it. Scratchy **SCREAMS** and jumps out the window.
As he falls, he catches up to his innards, and starts
gobbling them up. He finishes swallowing his innards,
smiles, then lands on a cactus.

INT. SIMPSON HOUSE - LIVING ROOM - CONTINUOUS

Bart **LAUGHS**, then starts **COUGHING**. An art card comes on:

ON TV

ANNOUNCER (V.O)

And now, for an emergency
announcement from the mayor.

ART CARD: THE MAYORAL SEAL: "MAYOR OF SPRINGFIELD
'CORRUPTUS IN EXTREMIS'"

We see MAYOR QUIMBY standing in front of the office wall.

MAYOR QUIMBY

People of Springfield, because of the
epidemic, I have cancelled my
vacation to the Bahamas.

The camera WIDENS OUT to reveal Quimby wearing Bermuda shorts beneath his jacket and tie. He is standing in front of a City Hall backdrop on the beach. We hear faint Caribbean MUSIC.

MAYOR QUIMBY (CONT'D)

I shall not leave the city...

A JAMAICAN MAN walks into frame PLAYING a steel drum.

MAYOR QUIMBY (CONT'D)

Hey, you. Get that steel drum out of the, uh, Mayor's office.

JAMAICAN MAN

Sorry, mon.

MONTAGE OF PUBLIC PANIC

SCENE 5

A) SUPERMARKET AISLE

Panicked SHOPPERS empty the shelves and rush by with loaded carts. A full shelf of boxes marked "Urkel Flakes" sits completely untouched.

B) INT. BURNS' OFFICE

BURNS

Smithers, this plague doesn't scare me. I've constructed a germ-free chamber for myself. Not a single microbe can get in or out.

Burns pushes a button -- the wall slides open revealing an antiseptic chamber. Homer sits in the middle of it, eating a submarine sandwich.

BURNS (CONT'D)

(MAD) Who the devil are you?

ANGLE ON HOMER'S BRAIN

HOMER'S BRAIN (V.O)

Don't panic. Just come up with a
good story.

HOMER

My name is Mr. Burns.

HOMER'S BRAIN (V.O)

(ANNOYED GRUNT)

C) DR. HIBBERT'S OFFICE

A PANICKED MOB surrounds the office. HIBBERT looks out an
upstairs window.

MOB

We need a cure! We need a cure!

HIBBERT

(CHUCKLES) Why, the only cure is bed
rest. Anything I give you would only
be a placebo.

WOMAN

(HYSTERICAL) Where do we get these
placebos?

MAN

Maybe there's some in this truck!

The mob turns over the truck. A box labelled "KILLER BEES"
is inside. It smashes open and bees pour out. The man
pops a bee in his mouth.

MAN

I'm cured! I mean ouch!

INT. SIMPSON HOUSE - KITCHEN - DAY

SCENE 6

A frazzled Marge runs around pouring orange juice, etc.
GRAMPA sits at the table.

LISA (O.S.)

Mom, can you bring me more O.J.?

BART (O.S.)

Can you get me some of those
Flintstones' chewable morphine?

MARGE

There is no such thing.

BART (O.S.)

Well, they call them vitamins, but
you know and I know...

HOMER (O.S.)

Marge, come change the channel.

MARGE

In a minute!

HOMER (O.S.)

But, I'll miss "Sheriff Lobo."

GRAMPA

Those babies. I made it through the
Great Spanish Flu of 1918. (PAINED)
Ohh... It was an endless nightmare of
human suffering.

SPRINGFIELD - 1918

An idyllic street scene. ZOOM IN on the window of a
beautiful Victorian house. A YOUNG GRAMPA sits up in bed.

DOCTOR

Abe just has a touch of the Spanish
Flu. He should be up and about in no
time.

YOUNG GRAMPA

Well, bless my buttons.

GRAMPA'S MOTHER

Thank you, doctor. How much do I owe
you?

DOCTOR

Give me one of your gooseberry
muffins and consider the matter
closed.

Outside, we hear a band strike up "**THE WASHINGTON POST
MARCH.**" A jubilant YOUNG NEWSPAPER BOY runs by the window.

NEWSPAPER BOY

(TEENAGED VOICE) Wuxtry! Wuxtry!

The Kaiser surrenders!

The doctor gazes out the window and takes a **PUFF** on his
pipe. From behind, all are silhouetted against a gorgeous
sunset.

BACK TO SCENE

GRAMPA

... And we didn't have TV, neither.

If we got bored, we went downtown and
looked at a woodcut.

Grampa realizes he is sitting alone in the kitchen. The
DOG looks at him.

GRAMPA (CONT'D)

(TO DOG) And back then, dogs could
talk. And don't you tell me
different dog.

EXT. SIMPSON HOUSE - DRIVEWAY - A MINUTE LATER

SCENE 7

Marge is pulling out the driveway. A very sick NED
FLANDERS leans out his window.

NED

Howdy, neighbor! (SNEEZES) Excuse
me! Listen, if you're headed to the
store, could you please pick the boys
up some comics -- "King of Kings,
#6," and "The Martyrdom of St.
Barnabas, Awesome Origin Ish!"

INT. FLANDERS HOUSE - LIVING ROOM - CONTINUOUS

The entire FAMILY is racked with disease.

ROD

Dad! Todd's speaking in tongues!

TODD

(INCOHERENT GIBBERISH)

NED

I wish he were, Rod, I pray for the
day, but I'm afraid he's just
delirious from fever.

MAUDE

Oh, Neddie, why has God forsaken us?

NED

I can't imagine what we could've done
to... (REALIZING) Oh... oh no!

NED'S FLASHBACK

Ned flips through the channels on TV and happens to stop on
a sleazy Fox sitcom.

ON TV

HUSBAND

Peg, you gotta take better care of
the house. These plants are all limp
and lifeless!

WIFE

Maybe they'd feel more at home in the
bedroom, Al!

The STUDIO AUDIENCE erupts in wild **HOOTS** and **HOLLERS**, and
Ned **GIGGLES**. We hear a loud **THUNDER CRACK** from the
heavens.

NED

Uh oh.

INT. PATTY AND SELMA'S APARTMENT - BEDROOM - LATER

PATTY and SELMA are sick in bed. Marge serves them soup.

PATTY

Thanks for the soup.

SELMA

When you come back, bring us some
bourbon.

PATTY

You know what they say, "Booze out a
cold, smoke out a fever."

INT. KWIK-E-MART - LATER

SCENE 8

Marge is in the aisles, carrying a plastic basket. VOICES
swirl around her as she frantically grabs items.

LISA (V.O)

Mom, I need more O.J.

BART (V.O)

... Flintstones' chewable morphine.

HOMER (V.O)

(WHINY) I'll miss Sheriff Lobo...

LISA (V.O)

Mom, I need more O.J.

BART (V.O)

... Flintstones' chewable morphine.

HOMER (V.O)

(WHINY) I'll miss Sheriff Lobo...

LISA (V.O.)

O.J.

BART (V.O.)

Morphine

HOMER (V.O.)

Lobooo...

LISA (V.O.)

O.J.

BART (V.O.)

Morphine

HOMER (V.O.)

Lobooo...

Marge steps up to the counter. HELEN LOVEJOY gets in line behind her.

MARGE

And a bottle of aspirin, please.

APU gets a small bottle of aspirin from behind the counter.

APU

The aspirin is \$24.95.

MARGE

\$24.95! What, did you jack up the price when everyone got sick?

APU

No, actually it's on sale.

Apu hands Marge the change and she heads for the door. A loud **ALARM** goes off. She is startled and drops her bag. Apu and SANJAY exchange looks.

APU (CONT'D)

Oh dear, the alarm must be broken.

If you could just move a bit to your left...

APU'S POV

Marge moves next to the height gauge on the door. Apu sizes her up and writes down her vital statistics.

APU (CONT'D)

(TO SELF) Eight foot, six... Oh
Sanjay, help Mrs. Simpson with her
bag... (STILTED) and-while-you're-at-
it... (HINDI) Uske coat ke tharaf
dekho.

SANJAY

Haajee, Ekdam phataaphat.

Sanjay winks and heads over to Marge. He plucks a bourbon bottle out of her pocket.

APU

(SHOCKED GASP) Mrs. Simpson! You did
not pay for this bottle of Colonel
Kwik-E-Mart's Kentucky Bourbon.

He holds up a bottle with a white-haired Indian man dressed like a Kentucky Colonel.

MARGE

Uh... no, I-I guess I didn't.

We hear police **SIRENS** approaching. Five police cars pull into the lot. From outside we hear Wiggum's voice.

WIGGUM (V.O)

(ON BULLHORN) All right. Come out
with your hands up... two cups of
coffee... and something with coconut
on it...

Marge looks very sad.

FADE OUT:

END OF ACT ONE

ACT TWO

FADE IN:

EXT. "I CAN'T BELIEVE IT'S A LAW FIRM!" - DAY

SCENE 9

INT. LIONEL HUTZ'S OFFICE - CONTINUOUS

HUTZ

Now, Marge, you've come to the right place. By hiring me as your lawyer, you also get this smoking monkey!

He sets a tiny novelty smoking monkey in front of her.

HUTZ (CONT'D)

Better cut down there, Smokey. Heh, heh.

MARGE

Mr. Hutz --

HUTZ

Look! He's taking another puff!

MARGE

Mr. Hutz! This was all a misunderstanding. I didn't mean to take anything.

Hutz looks over some papers.

HUTZ

Now don't you worry Mrs. Simpson, I... uh-oh. We've drawn Judge Snyder.

MARGE

Is that bad?

HUTZ

Well, he's had it in for me ever
since I kinda ran over his dog.

MARGE

You did?

HUTZ

Well, replace the word "kinda" with
the word "repeatedly," and the word
"dog" with "son."

MARGE

(WORRIED MURMUR)

HOMER

Look, Marge, I'll just talk to Apu
and I'm sure he'll be reasonable.

INT. KWIK-E-MART - THAT INSTANT

Apu dances around joyously while a tape deck plays lively
INDIAN MUSIC. Festive yogurt dip is on the counter.

APU/SANJAY

(SINGING INDIAN SONG)

Homer comes in.

HOMER

Apu, I'd like you to drop the charges
against my wife.

APU

(SHUTS OFF MUSIC) No offense, but
we're putting that bitch on ice.

HOMER

(ANGRY) Now, come on! I'm your best customer.

APU

I'm sorry, Mr. Homer, but it is the policy of the Kwik-E-Mart and its parent corporation, NorDyne Defense Dynamics, to prosecute shoplifters to the full extent of the law.

Homer sadly walks out. Apu presses "play" on his tape deck and **INDIAN MUSIC** plays again.

APU/SANJAY

(SING)

APU

At last we have captured our very first shoplifter. Sanjay, run to the liquor store and buy some champagne.

SANJAY

But we have champagne here.

APU

Trust me on this one.

INT. BEAUTY SALON

SCENE 10

HELEN LOVEJOY and MRS. GLICK are under loud hair-dryers.

HELEN LOVEJOY

Marge Simpson was arrested for shoplifting.

MRS. GLICK

(CAN'T HEAR) Mort Princeton was
arrested for gift-giving?

EXT. STREET CORNER

A CONSTRUCTION WORKER is using a jackhammer.

MRS. GLICK

Mort Princeton was arrested for gift-
giving!

CONSTRUCTION WORKER

(CAN'T HEAR) Marge Simpson was
arrested for shoplifting?

INT. LOVEJOY HOUSE - LIVING ROOM - NIGHT

A bridge game is in progress.

MISS HOOVER

... And last Christmas, Marge made us
gingerbread men, and there was a hair
in one!

DR. HIBBERT

Well I'll let you in on a little
secret about Marge Simpson... She's
got webbed toes.

VARIOUS

Eww. / Yuck. / Puh-leese.

INT. FLANDERS' HOUSE - DINING ROOM - NIGHT

Marge and Homer are having dinner with the Flanderses.

NED

Now, Marge, don't you worry. We've
all had our brushes with the law.

FLASHBACK TO

Ned's house sometime earlier. There's a knock at the door.
Ned answers. An irate looking policeman is there.

POLICEMAN

Are you Ed Flanders?

NED

No, Ned Flanders.

POLICEMAN

My mistake.

The policeman exits.

BACK TO SCENE

FLANDERS (CONT'D)

I'll never have that problem again.

He points to a badge pinned to his chest that says, "Ned."

MARGE

Will you excuse me while I go and
freshen up?

Marge gets up and leaves the room. Maude looks alarmed.

MAUDE

(ASIDE TO NED) I'll follow her.

INT. FLANDERS' HOUSE - BATHROOM - A MINUTE LATER

Marge is washing her hands. Maude's eye peers at her
through an "O" in their framed "God Bless You" needlepoint.

Marge finishes and starts to straighten a picture on the
wall.

MAUDE (V.O.)

Just wash your hands and get out.

MARGE

(UNCOMFORTABLE MURMUR)

INT. COURTROOM - THE NEXT DAY

SCENE 11

The trial has begun. All the Simpsons are there, as are various friends.

PROSECUTOR

(TO JURY) Ladies and gentlemen of the jury, who do you find more attractive: Tom Cruise or Mel Gibson?

FOREMAN

(DROOPY VOICE) They've never improved on Sean Connery.

JUDGE

What is the point of all this?

PROSECUTOR

Your honor, I feel so confident of Marge Simpson's guilt, that I can waste the court's time by rating the Super-Hunks.

JURY

(IMPRESSED) Wow!/ She must be guilty./ Very impressive/ (ETC.)

HUTZ

(ASIDE, TO MARGE) Ooh, he's gonna win.

MARGE

Mr. Hutz!

MONTAGE OF WITNESSES FOR THE PROSECUTION

A) Helen Lovejoy on the stand.

PROSECUTOR

Now, Mrs. Lovejoy could you tell us a little about Marge Simpson?

HELEN LOVEJOY

Well, as the wife of the minister, I'm privy to a lot of sensitive information. And here it is! Marge's husband doesn't earn much and the family's a mess and, quite frankly, I think she... (DRINKING NOISE)

Helen makes a "drinking from flask gesture."

PROSECUTOR

Let the record show that the witness made the "drinky-drinky" motion.

B) The Zapruder film is projected on a movie screen. PROFESSOR FRINK stands nearby with a pointer.

FRINK

And if we freeze on frame 138 (FREEZES FRAME), we distinctly see a puff of blue hair coming from the grassy knoll...

We see what appears to be Marge's hair poking out from behind the white picket fence on the grassy knoll.

INT. COURTROOM - LATER

SCENE 12

Apu is on the witness stand.

HUTZ

Would you state your name?

APU

Apu Nahasapeemapetilan, Jr.

HUTZ

Now, Apu, Mrs. Simpson claims that
she forgot she was carrying that
bottle of...

Hutz goes to the evidence table and picks up the bourbon
bottle.

HUTZ (CONT'D)

Delicious... bourbon... brownest of
the brown liquors... so tempting...
(LISTENING) What's that? You want me
to drink you? But I'm in the middle
of a trial... Excuse me.

Hutz runs out of the courtroom. He quickly puts a few
coins in a pay phone and dials.

HUTZ (CONT'D)

Hello, David? (DESPERATE) I'm
really tempted.

ON THE OTHER END OF THE PHONE

is David Crosby. There is a Crosby, Stills and Nash album
in the background.

DAVID CROSBY

Just take it one day at a time. And
know that I love you.

BACK TO HUTZ

HUTZ

(INSPIRED) I love you too, man.

He strides purposefully into the courtroom and resumes examining Apu.

HUTZ (CONT'D)

So, Mr. Nahasapeemapetilan, if that
is your real name, have you ever
forgotten anything?

APU

No. In fact I can recite pi to 40,000
places. The last digit is one!

HOMER

Mmm... pie.

HUTZ

Well if you never forget anything,
tell me this...

Hutz quickly turns away from Apu.

HUTZ (CONT'D)

What color tie am I wearing?

APU

You are wearing a red and white
striped club tie, in a half Windsor
knot.

Hutz is wearing a red and white striped club tie, in a half Windsor knot. He looks shocked. Hutz starts to remove his tie, his back to Apu.

HUTZ

Oh, I am, am I? (STUGGLING WITH TIE)

Is that what you think? Well, if
that is what you think, I have
something to tell you. Something
that may shock and discredit you.

And that thing is as follows...

Huts wheels around, bare necked.

HUTZ (CONT'D)

I'm not wearing a tie at all.

The jury GASPS.

APU

(GASPS) But, if I am wrong about
that, maybe I am wrong about Mrs.
Simpson.

HUTZ

(GRANDLY) No further questions.

INT. SIMPSON HOUSE - DINING ROOM - NIGHT SCENE 13

The happy family is eating dinner with Hutz.

HUTZ

Kids, I got a crazy feeling your
mom's not going to prison.

BART/LISA

Yay!

LISA

You're a latter-day Clarence Darrow.

HUTZ

Uh, was he the black guy on the Mod Squad?

BART

Mr. Hutz when I grow up I want to be a lawyer just like you.

HUTZ

Good for you, son. If there's one thing American needs, it's more lawyers. Can you imagine a world without lawyers?

Hutz' THOUGHT BUBBLE: Happy people are holding hands and dancing in a circle.

HUTZ

(SHUDDERS)

INT. COURTROOM - NEXT DAY

The courtroom is packed. In the gallery are Hutz's parents, law professors, a judge in black robes and David Crosby.

CLOSE UP HUTZ

HUTZ

... And so, ladies and gentlemen of the jury... I rest my case.

The TRIAL JUDGE looks at Hutz dubiously.

JUDGE

Mr. Hutz, do you know you're not wearing any pants?

HUTZ

What? (LOOKS DOWN, SCREAMS) Did any
of the rest of you notice that?

The JURY FOREMAN raises his hand.

JURY FOREMAN

(DROOPY VOICE) You have a hole in the
back.

HUTZ

(WORRIED) Your honor, I move for a
"bad court thingy."

JUDGE

You mean a mistrial?

HUTZ

Yeah. That's why you're the judge
and I'm the law talking guy.

JUDGE

The lawyer.

HUTZ

Right.

INT. COURTROOM - LATER

SCENE 14

The jurors return from deliberations and take their seats.

JUDGE

The foreman will pass the verdict to
the Bailiff.

CLOSE UP - a hand passes the verdict to the Judge.

JUDGE (CONT'D)

This verdict is written on a cocktail
napkin!

WIDEN OUT TO REVEAL that Hutz has inserted himself between
the BAILIFF and the Judge. The Judge turns to Hutz
furiously.

JUDGE (CONT'D)

(LOOKS AGAIN AT VERDICT) ... And it
still says "guilty!" ... And "guilty"
is spelled wrong!

HUTZ

Eep.

JUDGE

Will the foreman please read the real
verdict?

JURY FOREMAN

(DROOPY VOICE) We find the defendant,
guilty!

JUDGE

(BANGS GAVEL) Marge Simpson, I
sentence you to thirty days in
prison.

BAILIFF

Next case. The National Council of
Churches vs. Lionel Hutz.

Hutz sees a crowd of various religious men, in different
garb, glaring at him.

HUTZ

Oh right, that thing.

INT. COURTHOUSE HALLWAY - A MINUTE LATER

A distraught family embraces Marge as the Bailiff stands nearby.

LISA

(SAD) You're still my hero, Mom.

MARGE

(STIFF UPPER LIP) Now you kids be good while mother's in prison.

BART

And remember, if things get tough, you can make a knife by melting down cigarette filters.

MARGE

Thank you, dear.

HOMER

Marge, I'm gonna miss you so much. And it's not just the sex... it's also the food preparation... your skill with stains of all kinds.

HOMER (CONT'D)

But mostly, I'll miss how lucky you make me feel each and every morning.

MARGE

(TOUCHED) I'll miss you too Homie.

She hugs him. The bailiff puts handcuffs on her and starts to lead her out. She passes Apu and Sanjay.

APU

With her behind bars, our store is
secure.

EXT. KWIK-E-MART - DAY

Jailbird has placed the entire Kwik-E-Mart on top of a
flatbed truck.

JAILBIRD

I'm takin' this thing to Mexico.

He drives away.

EXT. SPRINGFIELD WOMEN'S PRISON - DAY

SCENE 15

A stern sign reads: "SPRINGFIELD WOMEN'S PRISON." Below that, in elegant cursive writing is "A Prison for Women."

EXT. PRISON YARD -DAY

A MS. GRUBGUCKER-TYPE prison guard leads Marge.

MS. GRUBGUCKER-TYPE

Gotta warn you. This is no place for
a lady. It's not like that TV show
"Women in Prison."

MARGE

I don't remember that.

MS. GRUBGUCKER-TYPE

It was part of the original Fox
Saturday line-up, between Beans
Baxter and Mr. President. They used
to test those shows on our convicts.

INT. PRISON - MARGE'S CELL - A MINUTE LATER

Marge looks into the cell. Inside, a hulking, MUSCULAR
WOMAN does bicep curls in a shadowy corner.

MARGE

Knock, knock.

The woman doesn't answer and Marge tentatively steps
inside.

MARGE (CONT'D)

I'm Marge Simpson. Your new
cellmate.

PHILLIPS

I'm Phillips. They call me that
'cause I killed my husband with a
Phillips-head screwdriver.

MARGE

(NERVOUS MURMUR)

INT. PRISON - DINING HALL - NEXT MORNING

Marge and Phillips eat with a group of convicts.

MARGE

It's so nice not to have to cook.

PHILLIPS

You mean your husband never cooked
for you?

MARGE

(UNCOMFORTABLE) Well... once.

MARGE'S FLASHBACK

She is seated at the dining room table for a candle-lit
dinner. Homer sets a plate with a fish on it in front of
her. The fish is flopping around wildly into the air.

MARGE

Homer, I don't think this fish is
quite dead yet.

HOMER (O.S.)

Marge, please. I'm having enough
trouble with the lobsters.

We see lobsters are all over Homer, biting him.

BACK TO SCENE

SCENE 16

Marge and Phillips continue eating. A heavily tattooed
woman walks past.

MARGE

Oh my goodness.

PHILLIPS

That's Tattoo Annie.

TATTOO ANNIE smiles. She turns her back to Marge and takes off her shirt revealing her back is heavily tattooed with violent images. A caption reads:

"WHAT KIND OF SLIME
WOULD I MARRY?"

MARGE

(PUZZLED) I don't understand.

TATTOO ANNIE

It's one of those Mad Magazine fold-
ins.

She flexes her back muscles. The picture collapses into a picture of Alfred E. Neuman, with the caption: "WHAT ME WORRY?"

MARGE

Amazing!

INT. SIMPSON HOUSE - KITCHEN - DAY

Homer stands with the kids.

HOMER

Now kids, while your mother's gone, I
don't wanna have to wash any dishes.
So, from now on, drink straight from
the faucet or milk carton, and we'll
eat while standing over the sink or
toilet.

BART

Who's gonna change Maggie?

HOMER

We're gonna let her roam free in the
backyard, and nature will take its
course.

LISA

Excuse me, but I think if we all do
our fair share, we can keep this
house clean.

MATCH DISSOLVE TO:

INT. SIMPSON HOUSE - KITCHEN - A FEW DAYS LATER SCENE 17

There is garbage all over, including a pizza on the floor
with footprints in it. SANTA'S LITTLE HELPER is eating
from the open refrigerator. After a beat, an ALLIGATOR
crawls by in the foreground.

Bart and Lisa enter in stained and dirty clothes.

BART

Dad! We're running out of clean
clothes!

LISA

It seems like I've been wearing the
same red dress forever.

HOMER (O.S.)

Go up to the attic. There's a whole
trunk of clothes up there.

Homer comes in wearing Marge's wedding dress.

EXT. SPRINGFIELD ELEMENTARY SCHOOL - DAY

Bart and Milhouse open their lunches.

MILHOUSE

Alright! Bologna and cheese. What
do you got, Bart?

BART

A pack of sugar and peanut butter
smeared on a playing card.

Bart licks the peanut butter. Nelson comes over.

NELSON

Haw, haw! Your mom's a jailbird!

BART

So's yours.

NELSON

Oh, yeah. Let's play.

INT. PRISON - DINING HALL - VISITING DAY

Inmates greet their loved ones. The family finds Marge.

LISA

Oh Mom, I've missed you so much.

MARGE

Oh honey, I've missed you too.

(PUZZLED) Homer, is that an old
Halloween costume?

ON HOMER

He's wearing a big red devil's suit.

HOMER

(LYING) Uh... no.

BACK TO SCENE

Bart slides a cake box across the table to Marge.

BART

(WHISPERING) Okay, Mom, act casual.

I baked you a cake with a file in it.

Marge opens the box. There's nothing inside but a few crumbs.

LISA

Where's the cake?

BART

Where's the file?

Everyone turns to Homer. He smiles nervously and GULPS.

MARGE

So how are things at home?

BART

We flushed the gator down the toilet,
but it got stuck halfway and now we
have to feed it.

MARGE

(MURMUR)

INT. SIMPSON HOUSE - CONTINUOUS

Grampa taunts the giant alligator head sticking out of the toilet.

GRAMPA

I'll bet you want a piece of me.

Well, you ain't gonna get it, see!

Grampa's teeth fall out of his mouth into the alligator's jaws. The alligator CRUNCHES the dentures.

GRAMPA

(TOOTHLESS) Doggone it.

EXT PRISON YARD - DAY

SCENE 18

We see several trailers. A sign reads: "CONJUGAL VISIT TRAILERS." On the bumper of one it says: "DON'T COME A-KNOCKIN' IF THIS VAN'S A-ROCKIN'."

HOMER

Honey, I don't know what you're
feelin' right now. So I don't wanna
push anything. We can just hold
hands... or sit and talk...

MARGE

(VERY AROUSED NOISE)

She leaps on Homer.

HOMER

Woo!

EXT. TRAILER

The trailer tips over on one side.

IN SPRINGFIELD

1) TOWN SQUARE

Helen Lovejoy and Maude Flanders run a bake sale table with a sign reading: "Beautify Our Parks."

CUSTOMER

Ooh! Do you have any of those
delicious marshmallow squares?

MAUDE

Sorry, Marge Simpson makes those.

CUSTOMER

Oh darn.

All the customers GROAN and walk away en masse.

2) EXT. PARK - A LITTLE LATER

The PARK COMMISSIONER counts the bake sale receipts.

PARK COMMISSIONER

Fifteen dollars short. (GRIMLY)

Exactly what Marge Simpson's
marshmallow squares bring in. (TO
ASSISTANT) Can we still afford that
statue of Lincoln?

ASSISTANT

No, I'm afraid we'll have to go with
something cheaper.

3) EXT. PARK - A LITTLE LATER

Mayor Quimby is unveiling a statue.

MAYOR QUIMBY

I give you our 39th president, Jimmy
Carter.

He pulls off the veil. We see a statue of Jimmy Carter
with the slogan: "MALAISE FOREVER."

MAN

Aw, C'mon.

MAN #2

He's history's greatest monster.

The crowd starts rioting. They pull the statue off its
pedestal and start to kick it.

4) EXT. SPRINGFIELD - LATER

We see the crowd using Jimmy Carter's statue as a battering
ram to break through the window of a TV store.

5) DOWNTOWN SPRINGFIELD - LATER

We hear **SIRENS** and gunshots. Wiggum is standing in front
of a police truck that has **SNARLING** dogs in the back,
behind a gate.

WIGGUM

Release the dogs.

LOU

Gee, they look pretty mad.

WIGGUM

Yeah I've been starving 'em...

teasing 'em... singin' off key...

Wiggum leans into the dogs.

WIGGUM

(SINGING) Me may ma moe...me moo ma

may...me...

Eddie pulls the gate open. The dogs leap SCENE 19
on Wiggum, attacking him. He **SCREAMS**. Maude Flanders
looks at the entire sordid scene.

MAUDE

This never would have happened if

Marge Simpson was here.

EXT. PRISON - DAY

Marge, wearing street clothes, walks to the gate with her
suitcase. Homer is there.

PHILLIPS

Goodbye, Marge. I'll miss ya.

MARGE

I hope you find somebody.

PHILLIPS

Men are such slime. But I'm seeing
this new guy. I think he's
different.

Phillips points to the gate. We see BARNEY there, holding flowers.

BARNEY

Yoo hoo! (BELCH)

He waves.

ANGLE PHILLIPS

PHILLIPS

He says he's one of the Kennedys.

MARGE

(DISBELIEVING) Barney?

PHILLIPS

Barn-Barn.

INT. SIMPSON HOUSE - DAY

Bart and Lisa survey the huge mess.

LISA

We've gotta clean this up before mom gets back.

BART

No problemo. We'll just sweep it all under the rug.

FLIP TO:

The room is now clean, but the rug has huge bulges under it. It pulses and GROANS. Bart tentatively walks across it -- each step makes a different noise. (GLASS BREAKING, a SQUISH, a CAT YOWL, CAR HORN and then:)

WISEGUY (V.O.)

Hey, watch it!

EXT. SPRINGFIELD - DAY

Homer drives Marge home back through the now riotous city. A guillotine has been set up. Burns' head is in it.

BURNS

Now, now. I know I've been hoarding
meat... gas... milk... medical
supplies... pet food...

A billboard reads: "NEW AND IMPROVED SOYLENT GREEN". It
flips in strips to read, "NOW MADE WITH YOUNGER PEOPLE!"

MARGE

This town sure has changed since I've
been gone.

They pass an amphitheater labelled "SPRINGFIELD
THUNDERDOME." A **BLOODTHIRSTY CHEER** goes up from the crowd.

VIN SCULLY-TYPE (V.O.)

Ladies and gentlemen, please stand
back and let the Corpse-Grinders do
their work. Whoa, here they come.

Homer stops at a light next to the First Church of
Springfield. The church marquee reads: "WELCOME MONEY
CHANGERS."

EXT. SIMPSON - FRONT YARD - DAY

SCENE 20

A large crowd has gathered. There is a "Welcome Back
Marge" banner on the wall. Homer's car pulls up. The
crowd **CHEERS** Marge.

MARGE

I didn't expect all this.

HELEN LOVEJOY

Well, we never should have let you
go. From now on I'll use my gossip
for good instead of evil.

FLANDERS

Marge, the place hasn't been the same
without you.

GRAMPA

Eh, things have been goin' downhill
since Steve Allen left The Tonight
Show.

DR. HIBBERT

Three cheers for Marge Simpson!

CROWD

Hip hip hooray! Hip hip hooray! Hip
hip hooray!

MAYOR QUIMBY

Now, Marge, we have a special treat
for you.

He pulls a drop cloth off of a large object next to him
revealing that the Jimmy Carter statue has been
reconstructed -- Marge's bouffant hairdo has been welded
onto the top of Jimmy's head.

MARGE

(LYING) Uh, it's beautiful.

The crowd **APPLAUDS** appreciatively.

DISSOLVE TO:

EXT. SIMPSONS' HOUSE - A FEW DAYS LATER

Bart and Lisa have bolted a tether ball to the top of
Jimmy/Marge's head. They play tether ball, **AD LIBBING**
banter, then:

LISA

Say what you will about Jimmy Carter
-- he makes a great tether ball pole.

BART

He sure does, Lis. He sure does.
